VOLUME 3 ISSUE 11

Nov 2005

Have an Idea?

Do you have a new product but are unsure what fabric to use? Or, do you have an idea for a new camouflage pattern that you think you can sell? Let us do some of the work for you. We realize the importance of putting an effort into a new product now in order to reap the rewards later on. We can give you guidance at no or minimal cost as to the most practical way to get samples and bring your product to market.

WHAT'S HOT!!!

It took longer than we thought, but we wanted to get you the **BEST NEW** pattern in the market today. This pattern was designed by Nick Micalizzi, a well-known outdoorsman and hunter. Nick will be promoting the **Havoc Plus®** pattern by personal appearances, advertising, videos etc. Fox-Rich will make sure that there is top-quality fabric in stock when you need it.

WHY SHOULD HAVOC PLUS ® BE YOUR NEW PATTERN?

- 1—It's the best pattern in the market. It has a tremendous amount of "shelf appeal" and it makes you disappear in the woods.**
- 2—Havoc Plus ® is available at a price that you can afford. There is no hassle in getting a license to use Havoc Plus ®. In other words, we want your business.**
- 3—Havoc Plus ® will be supported by advertising using various media.**
- 4—Havoc Plus ® will be available, in certain fabrics, with Ab-Scent™, one of the leading scent-suppressing products in the Hunting Industry.**

VISIT www.fox-rich.com/!

The successful launch of fox-rich.com is helping to bring the hunting world to the digital level. Havoc Plus® fabrics are now available to view and purchase, as well as closeout camouflage items.

A list of all of the different fabrics we make to serve the hunting industry is also available. We have about 25 different camouflage patterns' images online that we can print on any of our fabrics.

This newsletter is available online and we will be updating the site weekly for new items that are available.

YOU CAN'T AFFORD TO MISS...

Ab-Scent™ will be available in the Havoc Plus® pattern on several selected fabrics. Printed or solid, Ab-Scent™ is the best value for your scent-suppressing needs.

The consumer exposure that Ab-Scent™ will be getting is phenomenal. We will keep the consumer buying Ab-Scent™ by:

- 1) Continuation of Fox-Rich's print advertising
- 2) Promotion by Nick Micalizzi, the designer of the Havoc Plus® pattern and a well-known hunter. Nick will be making the consumer more aware of Ab-Scent™ using several advertising mediums.
- 3) Offering Manufacturers cooperative advertising which will increase market awareness of Ab-Scent™ and increase manufacturer's sales at reduced advertising costs.

As an **extra bonus** we are offering a 5% discount for Ab-Scent™ orders placed before December 31st, 2005. These orders can be for billing and delivery in 2006.

TRADEMARK FABRICS

Silent Sentry™ - A high-visibility blaze orange fabric that meets all state and local shade requirements. The best value for a well-known blaze orange fabric in the market! Also available in orange camo.

Silent Sentry Plus™ - As above except a heavier weight and a softer, quieter hand. Also available in orange camo.

Foxy-Fleece™ - This well-known fabric was one of the first fleeces to be available in camouflage. It is available from stock in ten popular shades (including blaze orange) as well as many camouflage patterns.

Amazon Cloth - A flocked fabric with a "suede" type surface. It is quiet, warm and wind resistant and is available in several camouflage patterns.

Amazon Extra - Same as Amazon Cloth except with a cordura® backing for extra durability...perfect for luggage, boots, backpacks, etc.

Ab-scent™ - A "new generation" of the conventional camouflage fabrics including twill, jersey and fleece that will suppress odors.

Note: Most of our trademarked fabrics come with hang-tags. These attractive hang-tags will certainly help you to sell your product both to your customer and the consumer.
